Making Connections

Description

Learners make personal connections from the text with:

- something in their own life (text to self)
- another text (text to text)
- something occurring in the world (text to world)

WILF

What I'm looking for...

Example questions/statements

Does this remind you of something? eg This story reminds me of a holiday to my grandfather's farm.

Has something like this ever happened to you?

Is this story similar to another text you have read?

Using [getepic.com](https://www.getepic.com) choose a book that interests you and challenges you. Whilst you are reading, I want you to **MAKE CONNECTIONS** with some things you have read to self, to other texts or to world.

Read for 10 minutes. I will check student logs each day.

Were you able to make any **CONNECTIONS**?

WILF

What I'm looking for...

Identify the introduction, body and conclusion of an informative text.

Writing

Read the following information text on the Tyrannosaurus rex (It goes over 3 pages)

Tyrannosaurus rex (also known as T-rex) was one of the largest dinosaurs that ever walked Earth. It lived around 66 million years ago in an area now known as North America.

Writing:

Writing

Tyrannosaurus rex was the size of a modern-day bus. It had a large head with strong, sharp teeth. It had a long tail which helped it to balance on its back legs. The arms of the T-rex were quite small, ending in hands with only two fingers.

Tyrannosaurus rex was a carnivore, which means it was a meat-eating dinosaur. T-rex gripped its food with its giant, clawed feet. Then it ripped the flesh apart with its strong jaws. Scientists think that the *Tyrannosaurus rex* may also have stolen food from smaller dinosaurs.

Tyrannosaurus rex walked upright on its two back legs. Scientists can only guess how fast it moved, based on footprints and tracks which are millions and millions of years old. Their best estimate is somewhere between 17-40 km/h (11-43 m/h).

Writing:

Tyrannosaurus rex was one of the most dangerous and ferocious dinosaurs of all time. No wonder scientists are fascinated by these amazing creatures!

Now that you have read the text, go back and label each part as either the introduction, the description or the conclusion.

Internet Safety-

Safety

WALT

We are learning to...

Develop our understanding and awareness of online safety, including what is safe and unsafe online.

WILF

What I'm looking for...

Identify types of **cyberbullying** and give examples of these

Explain the important role of the **bystander** or **onlooker**

Explore and discuss the risks of sharing images online

Explain why our privacy and **personal information** need to be kept safe online

Identify what makes a respectful and safe **online friend**

Use Google Docs or our workbooks to present our learning and understanding.

Cyber Cat's Support Network

Would you know what to do if you came across a problem while using the internet?

It can be really useful and proactive to identify your own Safety Support Network. These are adults who you trust and would feel comfortable going to for help.

In your workbooks or on a piece of paper, trace around your hand. Write 'My Support Network' in your palm. Think of 5 people who you trust and feel safe with, who you could go to if you have any problems with being and feeling unsafe online. Write their names on each of your fingers.
