

Create the Atmosphere

Your teacher will tell you what type of atmosphere you are to create through careful word choice. You can put a word or a phrase in any of the spaces where it makes sense.

Far from Home

Somewhere in the distance, Isabel heard an owl _____, it felt like a _____. She turned _____ to run towards home and _____. The _____ was getting _____ now and it felt like she was _____. Branches _____ her clothes, her feet felt _____ and her heart _____.

Completed example from Miss Eccleston with a TENSE atmosphere.

Far from Home

Tense atmosphere

Somewhere in the distance, Isabel heard an owl **screech**, it felt like a **warning**. She turned **quickly** to run towards home and **safety**. The **fog** was getting **thicker** now and it felt like she was **suffocating**. Branches **snatched** her clothes, her feet felt **heavy** and her heart **pounded**.
